

AKIN SOCKS

Akin Socks was founded in 1972. Having started exporting in 1990, the company founded its second factory in Giresun in 2006. Akin Socks manufactures socks for men, women, children and panty-hoses and it has nearly 85 million pair production volume, a production area of 32,000 m² and over 600 personnel. The company has a powerful infrastructure for manufacturing organization. It has organic production certificates of SEDEX, BSCI, ISO, OEKOTEX and the company is subjected to clients special auditing rules. Akin Socks has been exporting to England, France, Germany, Italy, Poland and other European countries.
