

## ÖZTAŞ SOCKS

ÖZTAŞ Socks is founded in the year of 1958. ÖZTAŞ today has gained the status of its special characteristics with its widest and strongest machine park within the section of sock production, of sock orders and with its annual 45 million pair of socks production capacity. ÖZTAŞ, has the capacity to make production within the world scale regarding the volume and the quality with its computerised machine park that can meet every kind of sock orders. Furthermore, the new 22.000 m2 factory building has been operating since the year of 2006 and thus, the physical environment for a better production has been created.
