

DORE®

RO-YAL HOSIERY

Top quality is the key of Dore's success. It allows the company to meet the tastes and needs of even the most demanding customers. Consistency with basic but always topical goals, a constant investment in research and development, the will to offer original and fashionable articles allow Dore to be the leading Company in ladies, girls, kids and babies hosiery world. In 2008, we moved the factory to Kirklareli Organized Industrial Zone (2 hours far away from İstanbul) which has 10,000m² closed area. This is a vertical factory and everything inhouse and the production is maintained with fully automated machines. We have very short lead times with better quality.
